

ATTENTION BUILDING CONTRACTORS

EFFECTIVE NOVEMBER 1, 2009

Senate Bill 306 is an amendment to the Oklahoma Municipal Code that states that any entity (*City of Sapulpa*) that issues building permits shall, before issuing a **residential building permit**:

- Verify proof that the contractor has general liability insurance
- Verify proof that the contractor has worker's compensation insurance

A residential building permit shall be defined as a single-family or duplex residential structure.

Included in the definition:

- Construction of a new structure
- Remodel of an existing structure
- Addition to an existing structure

Not included in the definition:

- ✓ Carport
- ✓ Patio Cover
- ✓ Accessory Building
- ✓ Pool
- ✓ Fence
- ✓ Individual(s) performing the construction or remodeling to his/her/their own existing single-family or duplex structure on their own property (unless the modifications are being performed by and the permit acquired by a general contractor or subcontractor)
