MANAGER'S BUDGET MESSAGE

BUDGET MESSAGE

It is my privilege to present the City of Sapulpa budget for fiscal year 2018-2019. This budget continues to provide basic services, and maintains the quality standards our residents have come to expect. As Sapulpa's overall financial outlook continues to improve, the city's general budget improves as well. Several factors attributable to the city's health include the addition of a Training officer to the Fire Department, Economic Development Director, and bringing the Police Department up to 46 sworn positions over last year's 44.

Following several years of annual cuts to the budget, this year's budget maintains a conservative outlook while providing for our citizens. This budget also includes provision for our employees who have served this community faithfully without a monetary increase the last 3 or 4 years. It is the desire of this administration to move us forward with efforts of finding new forms of recurring revenue and efficiencies. Since our two primary sources of funding are sales taxes and utility revenues, we have spent much time and focus analyzing and monitoring these two areas. This budget projects sales tax revenue to continue to trend at a slight increase over the previous fiscal year. One contributing factor is the rise of Use Tax revenue which includes the inclusion of online sales as well as an increase in the amount of local construction, which produces tax on building materials and other items purchased elsewhere but delivered for use in Sapulpa. Two new businesses are in the midst of construction with several known developments on the horizon. Utility revenues show an increase due to a proposed utility increase to help defray the rising cost of operations.

Capital Improvement/GO Bond Projects will continue in the coming year with completion of the Animal Shelter; Sanitary Sewer Improvement in basins No.02 and No. 04; and Phase I of the Sports Complex. The Revenue Bond Construction fund for streets will begin on Canyon Road (73rd W Ave to 57th W Ave), and North Hickory Street (SH-66 to Muskogee). Several streets in the Lazy H area will be repaired utilizing CDBG funding.

We are very excited to embrace all the challenges and opportunities this new fiscal year has in store as we continue to make a difference in the lives of our Sapulpa citizens!

FORMAT GUIDELINES

LEGAL LEVEL OF CONTROL

The Municipal Budget Act requires that the budget adoption include a Budget Summary of all funds by revenue and expenditure object code totals, individual fund summaries by revenue and expenditure totals, departmental revenues and expenditures by object code totals and that all funds be identified by purpose. Other requirements, not enumerated in this narrative, are also complied with as presented herein.

The Council and Trust Authority establish the legal level of control, which governs staff in their ability to make transfers. Budget amendments are also required by statute for the supplemental and decrease of revenues and expenditures.

To comply with the current legal level of control established by the Council and Trust, the budget adoption is by object code totals for all funds rather than at a line item level.

SEGREGATION OF FUNDS

The General Fund and Sapulpa Municipal Authority Fund each contain a Summary of Revenues and Appropriations and the individual appropriations are depicted by department as required by the Municipal Budget Act. All other funds are grouped according to their purpose. The fund groupings and an explanation of each category of funds are explained below.

General Fund

The General Fund is the primary operating fund of the City. All general tax revenues and other receipts not accounted for and reported in other funds are accounted for in this fund. Expenditures of this fund include general operating expenses associated with governments including administration, public safety, and community services.

Sapulpa Municipal Authority

The Sapulpa Municipal Fund accounts for revenues of the public trust provided by charges for service of water, wastewater, and refuse collection. Expenditures of this fund include operating costs of water, wastewater, refuse and related debt.

Sapulpa Development Authority

This Authority was created in September 2009 to promote the development of business and industry within the City limits and to provide additional employment and commerce that will benefit and strengthen the economy of the City.

Dedicated Sales Tax Funds

Sales tax collections are distributed pursuant to Ordinance No’s. 1205, 2229, 2475, 2685, and 2739. Ordinance No. 1205 directs that a sales tax of one percent shall be used for General Fund purposes. Ordinance No. 2475 directs that a two percent sales tax (2nd and 3rd penny) be distributed as follows:

General Fund.....	40.0%
Cemetery Maintenance Fund.....	2.5%
Public Library Fund.....	2.5%
Parks and Leisure Services Fund.....	5.0%
Fire Sales Tax Fund.....	2.5%
Police Sales Tax Fund.....	2.5%
Major Thoroughfare Fund.....	5.0%
Capital Improvements Fund.....	10.0%
Water and Sewer Improvement Fund.....	10.0%
Water Resources Fund.....	20.0%

Ordinance No. 2685 directs that a one-half cent Sales Tax be distributed to a dedicated Street Improvement Sales Tax Fund to improve streets, roads and bridges of the City of Sapulpa and to pay debt service connected with such improvements. Ordinance No. 2229 directs that a one-half cent sales tax be distributed to make capital improvements to the sanitary sewer treatment, collection, and disposal system, and to retire the debt service incurred for such purpose. Ordinance No. 2739 directs that one-half cent be charged upon sales or services in the part of the City of Sapulpa, Oklahoma lying within Tulsa County, Oklahoma for the purpose of promoting economic development within this same area.

The Capital Improvements Fund includes items/projects that are \$7,500 or greater in value and have an expected life span of three years or longer. This requirement is not required by ordinance, but was established in order to use this fund for more significant capital items and projects. The same requirement could not be placed on other dedicated sales tax funds because of (1) their lower percentage sales tax allocations; (2) the purpose of these funds as individually described by ordinance; and (3) the limited ability to list capital outlay items in the General Fund and Sapulpa Municipal Authority department budgets. Capital Outlay items, which are items less than \$7,500 but more than \$2,000 in value, have been listed in the appropriate funds or department.

Statutory/Special Funds

Statutory/Special Funds contain all other funds that are either specifically required by statute or have been previously established by ordinance or resolution.

By enacting Resolution No. 2334, it was made possible that the interest accumulated in the General Obligation Bond Sinking Fund may be transferred, by budget resolution if not appropriated during the budget process, to the General Fund, the Sinking Fund, the Building

Fund or the fund from which the investment was made, as is determined by the City Manager to be in the best interest of the City, and in accordance with 62 O. S. § 348.1.

G.O. Bond Construction Funds

This section contains construction funds that have been established to complete capital projects as voted by the people. The City pays G.O. Bond project vendors direct from the construction fund for work completed after being approved by staff and Council.

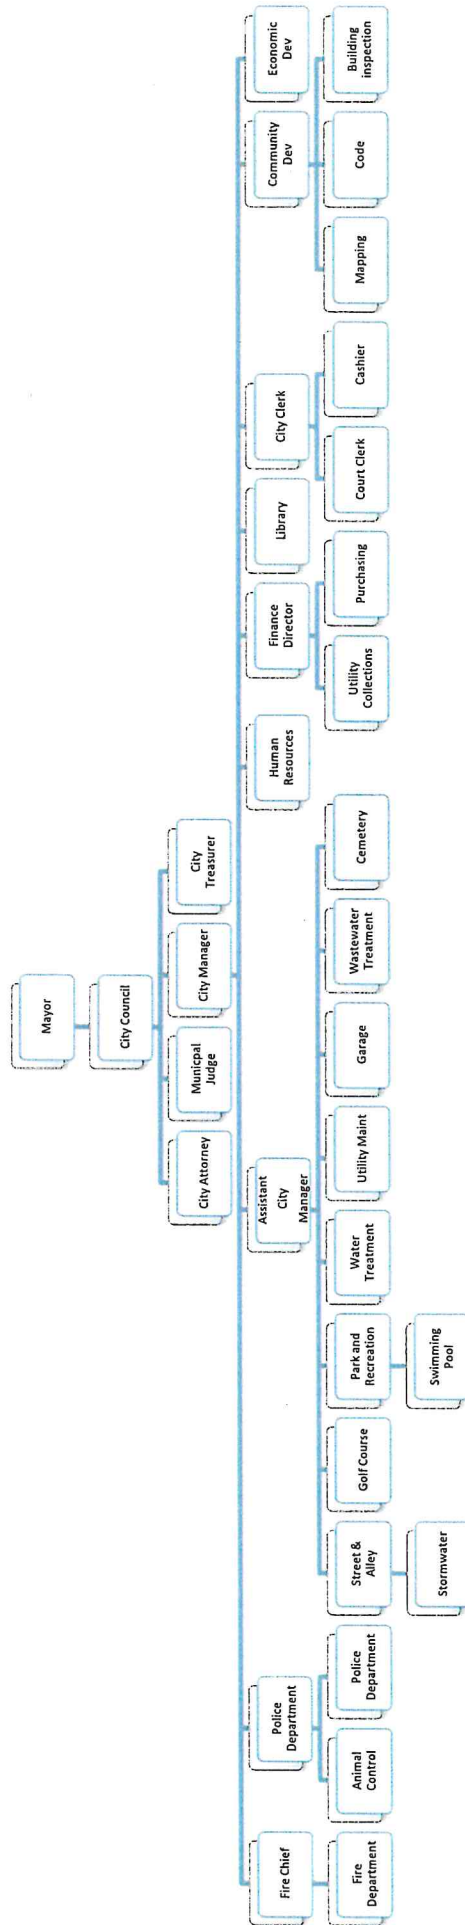

Revenue Bond Constructions Funds

This section contains construction funds that have been established by various Revenue Bond Indentures. Revenue Bond construction proceeds are invested and held in trust at financial institutions for the stated bond issue purposes. Payment of Revenue Bond monies differs from G.O. Bond Construction Funds in the fact that payment for work completed is paid by the trustee after approved by staff and Council.
