These disclosures are mandatory.

Section 4(a) of RESPA mandates that HUD develop and prescribe this standard form to be used at the time of loan settlement to provide full disclosure of all charges imposed upon the borrower and seller. These are third party disclosures that are designed to provide the borrower with pertinent information during the settlement process in order to be a better shopper. Re: Resignation from Sapulpa City Council

Joan, Reggie and David:

It is with mixed emotions that I write this letter today. Since I arrived in Creek County in the Spring of 2003, this place has been nothing but good to me. All of my children have been born while I lived here, my business has blossomed exponentially and, even though a transplant, this place has become my home. When I took the seat on the city council in the Summer of 2016, I felt beyond humbled that I was trusted with the important decisions that would hope to grow and prosper our city. Since that time, I have continued to be blessed to work alongside some of the most brilliant and forward-thinking people our city boasts.

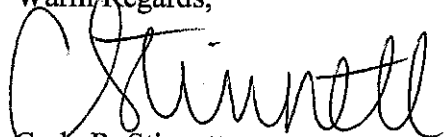

As my four children have grown and started to have many extra-curricular activities, it has become increasingly difficult to make the decision whether to attend their events or the council meetings. At this time, I know they will only be little and need me for a short time longer. I must choose them.

Further, my dear friend, Hugo Naifeh has recently moved from his ward and into mine. Hugo, a life-long Sapulpan and great champion for our city, is in a different season in his life and has the time and energy needed to represent our Ward. Please accept this letter as a resignation from my seat on the council. It is my sincere hope that Hugo will be appointed to my empty spot so that he may continue to serve our great City. I know there is a process for this appointment and also that the Council will make a good decision in this regard.

Please consider me for any boards or committees that need volunteers in the future. I love Sapulpa and will be delighted to continue to work to make it the best it can be in all respects. I will miss each and every board and staff member and you may see me peek in at a meeting

from time to time to check up on the good and hard work of the Council. I wish you all the best and know our beloved city is in good hands.

Warm Regards,

A handwritten signature in cursive script, appearing to read "C. Stinnett". The signature is written in black ink and is positioned to the right of the typed name.
